ENGINEERS & BUILDERS

BUILDING WITH PURPOSE.

DELIVERING WITH TRUST.

Thoughtful planning. Coordinated execution.
A professional approach at every stage.

COMPANY PROFILE

Shabir Associates

Engineers & Builders

We bring design intent, technical coordination and on-site execution together through a clear, responsible approach to every project.

WHAT WE DO

From planning to project delivery, we help keep every stage coordinated.

01

PLAN

Clear technical thinking

02

COORDINATE

Connected project teams

03

DELIVER

Focused site execution

OUR CAPABILITIES

Professional support. Coordinated delivery.

A practical, detail-focused approach across key stages of construction.

01

CONSULTING WORK

Technical guidance and project-focused consultation to support informed decisions.

02

CONSTRUCTION COORDINATION

Coordinating project activities and stakeholders for a smoother workflow.

03

PROJECT MANAGEMENT

Organising project requirements, progress and delivery priorities.

04

SITE SUPERVISION

On-site oversight with attention to drawings, details and work progress.

05

QUALITY CONTROL

Monitoring workmanship and execution against the required project standards.

HOW WE WORK

01	02	03	04
Understand	Coordinate	Supervise	Review

LET'S BUILD SOMETHING MEANINGFUL
